LEED Green Associate: One Day Study Intensive

This full day course covers the fundamental principles of the new LEED Green Associate credential established by USGBC. Designed to prepare the participant for successful completion of green and LEED construction projects, this course will also prepare the individual for the LEED Associate Exam.

IN ADDITION TO REGISTRATION: Required Study Guide: Print and bring to class the Green Building and LEED Core Concepts Guide, 2nd edition, which can be downloaded from www.USGBC.org \$70/\$85 (USGBC member/nonmember pricing).

This class meets GBCI eligibility requirements to take the LEED Green Associate exam, however this is a study course only. ABC does not administer the LEED Green Associate Exam. The procedure for registering and taking the exam are part of the course agenda.
