

The success

of **Construction Career Days** is due to the ongoing partnership between local schools and construction industry representatives, including equipment dealers, commercial contractors, highway contractors, suppliers, government agencies and community organizations.

Thank you for your participation in this important educational event.

Construction Career Days 2010 **26th** Event

April 20 – 22, 2010

**Cabarrus Arena
and Events Center
Concord**

9 a.m. – 2 p.m.

**On-the-Job
TRAINING**

Construction Career Days 2010

is an opportunity for high school sophomores, juniors and seniors to learn about rewarding careers in the commercial and highway construction industries.

During this event students will:

- Have hands-on access to power and hand tools used by the commercial construction industry.
- Participate in interactive exhibits, such as:

rebar tying	tile setting
pipe bending	welding
brick laying	carpentry
- Operate heavy equipment used to build highways, such as:

skid steers	backhoes
track hoes	bulldozers
excavators	cranes
- Have access to contractor personnel, vendors, and university and community college representatives to ask questions about training and educational opportunities.

Well-paying job opportunities are available for high school, technical and college graduates. Examples (with average annual salary range) are:

- **Carpenters**
\$21,275 to \$105,000
- **Chief financial officers or accountants**
\$35,000 to \$250,000
- **Clerks and office workers**
\$16,000 to \$82,000
- **Computer specialists**
\$30,000 to \$160,000
- **Concrete finishers**
\$19,450 to \$75,600
- **Equipment mechanics**
\$19,950 to \$86,100
- **Heavy equipment operators**
\$18,900 to \$90,300
- **Highway, civil, traffic and structural engineers**
\$34,000 to \$160,000
- **Project managers**
\$34,000 to \$160,000
- **Surveyors**
\$30,000 to \$66,000
- **Truck drivers**
\$18,900 to \$65,100
