

ABC OF THE CAROLINAS ~ ELEVATOR STORY

The most important reason to join ABC is simple; you need to be where your competition and customers are. ABC is a diverse group of representatives from all sectors of the construction industry. At regular monthly functions, ABC members have an opportunity to interact with customers, suppliers and competitors. ABC members contribute to an organization that is tackling the most pressing issues facing the construction industry today.

In the Carolinas, ABC is focusing great energy on the creation of a comprehensive Workforce Development program, which will meet the needs of its members and the construction industry at large. ABC's goals and direction are guided by all of its members, providing an equal voice to General Contractors, Subcontractors, Suppliers and Associates which makes ABC, a group truly representative of the construction industry. ABC strives to make you a better contractor tomorrow, than you are today. When you think construction, think ABC.
